### **Overview**

Your first job is something special and kicking off your career with PwC is extraordinary, particularly as a new graduate. Can you imagine what it means to have access to over 276,000 colleagues across 158 countries, and all that from right here, Tanzania? If you join us, you get access to a global network of specialists who will help you to learn, grow and develop into the accomplished professional you aspire to be.

Diversity is at the heart of our business. We're always looking for graduates with a range of different degrees, backgrounds and life experience. You'll start alongside other graduates and you'll learn from each other just as much as you'll learn from us. Most importantly you'll build some life-long relationships along the way and be given many opportunities to create. So join us, let's create together!

In an entry level role in the Assurance and Tax line of services you'll work with various clients and lend support in areas such as research and proposals, verifying the completeness of information and documentation.

### **Roles and responsibilities**

- Tasks related to the specific assignments
- Client liaison with the lower level management at the clients, as the initial and on-the-ground contact
- Support team members on client assignments

### **Requirements**

For candidates who've graduated: Updated CV, O level and A level certificates, University degree certificate and transcript. Candidates who have not yet graduated: Updated CV, O level and A level certificates, Cumulative university degree transcript.

Desired competence: a well rounded person with other life interests, demonstrate innovation and creativity, good communication and interpersonal skills, commercial awareness of business environment and current affairs, time management skills, self-management skills, flexibility and adaptability, good communication and networking skills, analytical skills.

The PwC Professional is our global leadership development framework. It outlines the capabilities that we look for in all our people - from associate to partner level – that will help us to thrive as purpose-led and values-driven leaders. We look for and develop these qualities in all our people:

Whole leadership - I lead myself and others to make a difference and create a positive impact in a responsible, authentic, resilient, inclusive and passionate manner.

Business acumen - I bring business knowledge, innovation and insight to create distinctive value for clients and PwC.

Technical and digital - I apply a range of technical, digital and other professional capabilities to deliver quality and value.

Global and inclusive - I operate and collaborate effectively with a mindset that transcends boundaries and embraces diverse perspectives.

Relationships - I build relationships of high value, which are genuine and meaningful.

**\*The deadline for the application is [5pm EAT on 31 March 2022](#). We shall not accept any applications after that date. Ensure that you only upload the documents required as stated.
