

Vacancy: Radiographer

Ref: 2022-32

Comprehensive Community Based Rehabilitation in Tanzania (CCBRT) aims to be the leading provider of accessible specialized health services in Africa and serves - as healthcare social enterprise and through development programmes - the community and the most vulnerable. CCBRT is Tanzania's largest local provider of disability and rehabilitation services in the country. We're committed to empower people with disabilities and their families, improving their quality of life, and ensuring access to medical and rehabilitative treatment. Committed to preventing lifelong disabilities wherever possible, CCBRT is also engaged in extensive maternal and newborn healthcare (MNHC) activities including obstetric fistula repairs.

*In order to strengthen our Imaging services in support of our expansion of services,
we are looking for a **dedicated Radiographer***

The role

You will carry out radiological examinations (X-rays), ultrasound examinations, as well as CT/MRI examinations in a proper ethical manner. Processing, enveloping and submitting imaged (films when necessary) and providing adequate clinical information for further medical interpretation

You process, envelop and submit images (films when necessary) and providing adequate clinical information for further medical interpretation; you keep and update accurate statistic and registrations books (all demographic details); you maintain and organize consumables stocks; You provide primary health education to patients on radiation protection and ensuring a proper usage of radiation techniques.

You are a team member of the imaging department, but you will work in conjunction with other clinical disciplines.

The candidate

- Obtained a diploma of 3 years in Diagnostic Radiography from a recognized institution or a Degree in Radiography with 1 year internship
- At least 4 years of experience as a general radiographer
- Registered with the relevant authorities.
- Good verbal and written communication skills in Kiswahili and English
- Good patient management and interpersonal skills.
- Good problem-solving skills.

If you are interested, please submit your curriculum vitae with 2 references and a cover letter telling us why you believe you are the right person for the role, and why you want to work at CCBRT in particular. We are an equal opportunities employer and encourage people with disabilities to apply. Please send your application via email to: recruitment.ccbrt@ccbrt.org

Please indicate job reference number: 2022-32 DEADLINE FOR APPLICATIONS: 10th July 2022
(selection assessment might commence upon receipt of suitable applications)

Vacancy:

Physiotherapist

Ref: 2022-28

Comprehensive Community Based Rehabilitation in Tanzania (CCBRT) aims to be the leading provider of accessible specialized health services in Africa and serves, as healthcare social enterprise and through development programmes, the community and the most vulnerable. Committed to preventing lifelong disabilities wherever possible, CCBRT is now expanding its maternal, paediatric and child health activities with the opening of its new Maternity and Newborn Wing. CCBRT is also expanding its rehabilitation services.

*In order to strengthen our Physiotherapy services and upcoming expansion of our services, we are looking for a **dedicated Physiotherapist** to join our team.*

The role

Provide quality physiotherapy services (including counseling and education) to CCBRT clients according to CCBRT guidelines. Contribute to the positive experience of clients at CCBRT Physiotherapy Department in all aspects.

Organize instruction groups and group interventions for specific clients (type of pathology). Order, measure and provide necessary equipment (walking aids) for the clients. Participate in the preparation of periodical performance reports. Identify the request for service and main problem of the clients and prepare and execute an individual rehabilitation plan with goals and Interventions.

Be a teamplayer that is punctual, committed and execute tasks that are to be completed by the team. Collaborate closely with the other physiotherapists and staff in the rehabilitation team. Ensure administration regarding patients is completed as per CCBRT guidelines and systems.

The candidate

- Diploma of Physiotherapy or Bachelor Degree in Physiotherapy
- Licensed Physiotherapist who is allowed to practice by Medical Council of Tanganyika
- A member of Association of Physiotherapists in Tanzania
- Minimum of 4 years of experience as physiotherapist
- Able to use electrotherapy machines
- Specific trainings will be added value (CP Management, Back pain management)
- Computer literate
- Good presentation skills
- Excellent interpersonal and communication skills (both English and Swahili)
- A pro-active attitude and eagerness to work

If you are interested, please submit your curriculum vitae with 2 references and a cover letter telling us why you believe you are the right person for the role.

CCBRT is an equal opportunities employer and encourages people with disabilities to apply. Please send your application via email to: recruitment.ccbrt@ccbrt.org.
