SOKOINE UNIVERSITY OF AGRICULTURE

JOB OPPORTUNITIES

Sokoine University of Agriculture (SUA), in collaboration with the Ministry of Livestock and Fisheries (MLF) in Tanzania is executing a collaborative research project on Antimicrobial Resistance Solutions in Commercial Poultry. The project is funded by the International Centre for Antimicrobial Resistance Solutions (ICARS) based in Denmark. Strategically, the project is divided in two thematic areas “Vaccination and Biosecurity Regimes to Enhance Fight Against Antimicrobial Resistance” and “Mitigating Spread of Antimicrobials and Resistant Microbial Pathogens and Genes Through Treatment of Manure”.

Applications are hereby invited from suitably qualified Tanzanians to immediately fill the following vacant positions at Sokoine University of Agriculture. **A HAND WRITTEN** application letter accompanied with up to date typed Curriculum Vitae (CV), relevant certificates and names of at least two referees should be addressed to the **DEPUTY VICE CHANCELLOR (ADMINISTRATION AND FINANCE), P. O. BOX 3000, CHUO KIKUU MOROGORO** to reach him not later than **TWO** weeks from the date of this advertisement. Female candidates are encouraged and motivated to apply.

NOTE that for those who studied abroad, must attach the verification certificates from Tanzania Commission for Universities (TCU).

1	POSITION	RESEARCH ASSISTANT
	QUALIFICATIONS	<ul style="list-style-type: none">• Bachelor of Veterinary Medicine• Master Degree relevant to Veterinary Medicine including Master of Veterinary Medicine (MVM); Master of Preventive Veterinary Medicine (MPVM); Master of Science in Pharmacology; Master of Science in Applied Toxicology; Master of Science in Epidemiology; Master of Science in Applied Microbiology; Master of Science in Molecular Biology and Biotechnology; or Master of Sciences in One Health Molecular Biology• Knowledge and Skills on Practical Research Design, Management and Presentation• Knowledge and Skills on Concepts and Practices of One Health

		<ul style="list-style-type: none"> • Knowledge and skills on statistics and statistical packages relevant for biological research • Excellent written and oral communication skills • Strong critical thinking and analytical abilities • Strong sense of responsibility and organizational skills
	Work experience	<ul style="list-style-type: none"> • Antimicrobial Resistance and One Health • Project Planning and management • Working on poultry diseases or/and biosecurity measures will be an added advantage
	Main duties and responsibilities	<ul style="list-style-type: none"> • Coordinate and facilitate implementation of projects with guidance from the project coordinator • Facilitate and get involved in data collection, analysis and publications • Conduct research projects independently with guidance from the project coordinator • Write the project reports • Manage relevant documentations for ICARS projects • Prepare and Monitor time-schedules for various project activities. • Organise project events (including meetings) in consultation with Project coordinator. • Prepare Meeting agenda and protocols in close collaboration with the project coordinator • Monitoring of Project level time schedules (including reporting deadlines) and provision of timely reminders • Assisting in the monitoring the project performance to maximize efficiency and effectiveness • Performing any other related duties as may be assigned by the project coordinator.
	Salary	As per treasury Registrar's Salary Circular No 1 of 2015
	Age	Not above 45 years old.
2	POSITION	Laboratory Scientist II
	Qualifications	<ul style="list-style-type: none"> • Holder of BSc Laboratory Sciences and Biotechnology; BSc in Chemistry (Analytical Chemistry); BSc Environmental Science and Management; or any other relevant degree with analytical chemistry component from a recognized institution.
	Experience	<ul style="list-style-type: none"> • Using Chromatographic separation Techniques including High Performance Liquid Chromatography (HPLC) or/and Liquid Chromatography Tandem Mass Spectrometry Techniques (LC-MS/MS) will be an added advantage for applicants
	Duties and responsibilities	<ul style="list-style-type: none"> • Undertake independently, the specified routine technical tasks that require a higher degree of technical knowledge

		<p>and skills.</p> <ul style="list-style-type: none"> • Implement specified maintenance plans for laboratory facilities. • Prepare chemicals, solvents, reagents and standards for relevant tests and experiments. • Operate the High Performance Liquid Chromatography (HPLC) or/and Liquid Chromatography Tandem Mass Spectrometry Techniques (LC-MS/MS) for ICARS projects • Provides hands-on assistance to researchers and students working in the laboratory on experiments using HPLC and LC-MS/MS techniques. • Performs instrument and equipment calibration, preventative maintenance, troubleshooting and repair. • Keeps records and logs of all work done and data generated in the laboratory. • Assists in taking the inventory of necessary supplies and reagents. • Performs any other duties as assigned by the project Coordinator.
	Terms	Contract for two years renewable subject to impressive performance and conduct.
	Age	Not above 45 years old.
	Salary	As per treasury Registrar's Salary Circular No 1 of 2015
3	POSITION	DRIVER II
	Qualifications	Possession of a Secondary School Education Certificate (form IV), plus advanced Driving Certificate grade II from NIT/Track driving certificate from VETA or any other institutions recognized by the Government, and relevant Driving license.
	Experience	Working independently with Research Institutions or Organizations under field condition will be an added advantage
	Main duties and responsibilities	<ul style="list-style-type: none"> • Driving motor vehicles for projects • Up-keeping the log books • Ensuring safe keeping of the vehicle and tool kits • Ensuring cleanliness of the vehicle • Undertaking minor repair of problems detected • Performing other related duties as may be assigned by (the project coordinator
	Terms	Contract for two years renewable subject to impressive performance and conduct.
	Age	Not above 45 years old.
	Salary	As per treasury Registrar's Salary Circular No 1 of 2015
