For more information and to apply : [www.metl.net/en/gdp2022/](http://www.metl.net/en/gdp2022/)

   @metlgroup

MeTL is thrilled to partner with international NGO, AIESEC in Tanzania, to bring to you our Graduate Development Program! This is a structured, yearlong program for recent graduates (of no more than 2 years), to give them the #opportunity to experience the world of work, and grow in their field within the organization under professional mentorship.

At MeTL, we endeavour to nourish bright, talented and driven young people towards reaching their full potential, and we look forward to supporting them towards personal development and occupational success.

If you are a graduate of 2 years or less, and you are interested in applying for the Graduate Development Program 2022, then visit this link: [www.metl.net/en/gdp2022/](http://www.metl.net/en/gdp2022/)

Apply by **14th October 2022**.

There are limited slots available, give it your best shot!
