Job Description & Summary

Bring your experiences. Grow your skills. Make your mark. Our community of solvers is ready to apply your expertise in new and unexpected ways. You'll be empowered by a career that's flexible, human-led, tech-powered and purpose-driven.

At PwC, our purpose is to build trust in society and solve important problems. We're a passionate community of solvers working together in unexpected ways to create solutions that untangle some of the world's most complex problems. We combine perspectives and

technologies to create new solutions, and help our clients build trust and make a lasting difference. We're a network of firms in 152 countries with 327,000+ people who are committed to delivering quality in Assurance, Advisory and Tax services.

A career in the Assurance line of service will afford you the opportunity to provide a range of assurance services and business advice to a variety of clients from small, fast growing clients to large entities. Our clients are often well known brands and many have broad international reach. We focus on using the latest technology to reduce the level of manual testing ensuring you'll focus on the most valuable areas of client service and on enhancing corporate governance and the reliability of our clients' information.

To really stand out and make us fit for the future in a constantly changing world, each and every one of us at PwC needs to be a purpose-led and values-driven leader at every level. To help us achieve this we have the PwC Professional; our global leadership development framework. It gives us a single set of expectations across our lines, geographies and career paths, and provides transparency on the skills we need as individuals to be successful and progress in our careers, now and in the future.
