KNAUF

JOB TITLE: Business Analyst

COMPANY NAME: Knauf Gypsum Tanzania Limited

LOCATION: Kinondoni

JOB TYPE: Full-time

ABOUT US:

Knauf stands for opportunity. We know that opportunity looks different to each person, and we are proud that we see opportunity in everyone. This exciting role within Sales Team could be the perfect next opportunity for you to build a unique career, in a values-led culture with a clear purpose of making tomorrow a home for all of us.

We are a global manufacturer of construction materials and within our Group, our 41,500 team members in 90 countries across 300 sites provide a huge opportunity for anyone with ambition and energy. We value everyone's contribution equally and we ask that you bring your whole self to work, to enrich the business further, as together we achieve more in a safe and inclusive environment.

Knauf Gypsum Tanzania Limited is proud to be part of the Knauf Group. We have a 9-year heritage in Gypsum manufacturing and have big plans for the future. Our global reach in 90 countries continues to grow and we are looking for passionate, ambitious people to help us achieve our goals. We are all led by the same core values and believe in the powerful potential of large companies to have a positive impact on the world. We are now looking for another team mate to join us in HQ Office as a Business Analyst.

As a Business Analyst at Knauf Gypsum Tanzania Limited, you will play a crucial role of translating raw data into actionable insights and help the company make informed decisions that will help achieve its strategic objectives.

What you'll be doing:

1. Analyze and review reports on sales data, such as sales trends, and provide proactive recommendations.
2. Work closely with the sales team in providing data-backed recommendations to support effective decision making.
3. Provide input in budgeting and forecasting for sales and business planning.
4. Perform strategic analysis and prepare financial models to support strategic planning activities.
5. Use detailed financial, economic, and mathematical models to predict the outcomes of changes in topline to the overall business performance.
6. Drive revenue and profitability growth through; market/competitors' analysis, pricing and profitability analysis, and SKUs analysis.

What we'd love for you to have:

We are interested in you as a person: your attitude, behavior and values. As long as you have the willingness to learn anything you need for the role that you don't already have, we'd love to speak to you. If you have qualification and experience in the following areas:

- Bachelor's degree in Business Administration, Accounting, Finance, Statistics, Economics, or a related field.
- Proven track record as a Business/Commercial Analyst, preferably within a sales environment in Banking sector/FMCG/Manufacturing.
- Experience in financial, economic, and statistical analysis and/or modeling.
- Advanced proficiency with SAP software, data analysis and visualization tools e.g., Tableau, Power BI, and Microsoft 365 apps/services (Excel, PowerPoint, Teams, OneDrive).
- Strong analytical skills and a passion for data-driven decision making.
- Ability/self-driven approach to proactively identify opportunities that might help the business grow.
- Excellent communication and interpersonal skills.
- Detail-oriented with strong organizational skills and the ability to manage multiple projects simultaneously.

We'll provide:

A competitive salary, health insurance cover and a year end-performance benefit.
