**Overview**

By joining us, you'll have access to a global network for you to learn, grow and develop into the accomplished professional that you aspire to be. We are a community of solvers combining human ingenuity, experience and technology innovation to deliver sustained outcomes and build trust. It all adds up to The New Equation.

Diversity is at the heart of our business. With an internship at PwC, you'll have an exciting and challenging experience to develop yourself personally and professionally while applying your academic knowledge in daily tasks.

Throughout your internship, you'll be required to demonstrate the following skills:

- personal drive and motivation;
- positivity;
- relating and networking;
- creating and innovating;
- contributing to team success;

- presenting and communicating information;
- applying expertise and knowledge on the job;
- ability to analyse information;
- adopting and responding to change;
- adhering to principles and values;
- delivering results and
- meeting customer expectations.

## Requirements

For candidates who have **graduated**:

- an updated CV;
- O level and A level certificates;
- university degree certificate and transcript.

Candidates who are **yet to be graduated**:

- an updated CV;
- O level and A level certificates;
- cumulative university degree transcript.

The PwC Professional is our global leadership development framework. It outlines the capabilities that we look for in all our people - from associate to partner level – that will help us to thrive as purpose-led and values-driven leaders.

We look for and develop these qualities in all our people:

**Whole leadership** - I lead myself and others to make a difference and create a positive impact in a responsible, authentic, resilient, inclusive and passionate manner.

**Business acumen** - I bring business knowledge, innovation and insight to create distinctive value for clients and PwC.

**Technical and digital** - I apply a range of technical, digital and other professional capabilities to deliver quality and value.

**Global and inclusive** - I operate and collaborate effectively with a mindset that transcends boundaries and embraces diverse perspectives.

**Relationships** - I build relationships of high value, which are genuine and meaningful.
