

NEW VACANCY

Let's grow together, become our

CUSTOMS CLEARANCE COORDINATOR

Bachelor degree in Supply Chain management, international business, Logistics, or other related fields.

A minimum of 5 years of experience in import/export operations, logistics management or customs compliance, preferably in a Manufacturing or distribution environment. Should be a registered member of the Procurement and Supplies Professionals and Technicians Board.

CORE RESPONSIBILITIES

- Coordinate and oversee the importation of goods and materials, including scheduling shipments and managing logistics operations.
- Collaborate with suppliers, freight forwarders, and customs brokers to ensure timely clearance of goods through customs and delivery to the destination.
- Monitor shipment status and track inventory to ensure on-time delivery and minimize disruptions to operations.
- Ensure compliance with customs regulations, tariffs, and import/export laws governing the movement of goods across borders.
- Assess potential risks and challenges related to import operations and implement mitigation strategies to minimize disruptions and financial liabilities associated with import activities.
- Negotiate contracts, rates, and terms with vendors to optimize costs, improve service levels, and ensure compliance with import regulations.

CORE COMPETENCIES

- In-depth knowledge of customs regulations, import/export laws and trade compliance requirements.
- Proficiency in import/export software, customs brokerage systems, and logistics management tools.

"We are committed to equal employment opportunities and unbiased treatment of all individuals in all employment practices". Only shortlisted applicants will be contacted".
