ACB is seeking experienced and dynamic individuals to fill the position of Relationship Manager, Business Banking (RM-BB) across multiple branches. The RM-BB will be responsible for managing and growing a portfolio of SME clients, offering tailored financial solutions, and ensuring high levels of customer satisfaction and business growth.

THE ROLE

Key outputs:

- Drive the growth of SME deposits and loans—both in number and value.
- Recruit SME clients and cross-sell bank products while maintaining strong business relationships with new and existing customers.
- Develop marketing and deposit mobilization strategies aligned with branch targets and bank strategy.
- Promote ACB products and identify business opportunities in the market.
- Formulate strategic plans to achieve lending and deposit targets.
- Manage a select portfolio of high-net-worth customers, including monitoring and controlling credit risk.
- Maintain acceptable Portfolio at Risk (PAR) and Non-Performing Loan (NPL) levels.
- Ensure high customer satisfaction and proactive relationship management.
- Implement account strategies to secure and protect sole banking relationships.
- Track market trends and recommend improvements to customer service and product offerings.
- Uphold excellent customer service standards to increase market share and grow the customer base.
- Ensure strict adherence to governance processes and internal/external compliance standards.
- Follow up on non-performing accounts and implement timely remediation plans.
- Ensure audit outcomes remain consistently acceptable for SME Banking.
- Adhere to all ACB policies, procedures, and service standards.

THE CANDIDATE

Qualifications

- Bachelor's degree in commerce, Banking, or Business Administration (required)
- Master's degree in business administration or Banking and Finance (added advantage)
- Minimum of 5 years in a relevant banking role, with at least 3 years in a managerial position
- Proven experience in sales and business development
- Strong knowledge of SME banking products and lending cycle management
- Background in credit underwriting and understanding of local market dynamics
- Familiarity with banking policies and compliance frameworks
- Demonstrated ability to manage teams and drive performance
- Strong interpersonal, negotiation, and marketing skills
- Excellent analytical and decision-making abilities
- Sound understanding of modern relationship management strategies
- Effective stakeholder engagement and organizational skills
- Ability to develop and articulate business strategies
- Strong leadership and people management capabilities
